Merchant Agent Registration

Dear Michael

I can confirm as at 14th November 2013 your Merchant Agent registration with ID 839 is ready to be listed on www.visamerchantagentslist.com.

You have validated your PCI DSS compliance with Visa Europe on your Merchant Agent registration with a ROC date of the 26th of June 2013.

In order to be listed on www.visamerchantagentslist.com, currently the only outstanding item is the payment of your Merchant Agent Registration fee.

I thank you for your continued co-operation.

Yours sincerely
